Description

Limitless® Fender Flares

- Extra long and wide to cover bigger aftermarket tires
- Direct fit by vehicle year, make and model
- Protects paint and fenders from weather and road debris
- Gives your ride a custom look and feel
- Easy installation – no drilling required
- UV-resistant and will not crack, chalk or warp
- Can be painted to match vehicle if desired

Beef up your truck with our Limitless® fender flares, guaranteed to withstand extreme temperatures without warping or fading in any weather conditions.
